

Spanish @ HCC

COURSE DESCRIPTIONS

Spanish 121-122-123 (Elementary Spanish) is a series of comprehensive beginning Spanish courses, which include instruction and practice in all four language skills: listening, speaking, reading, and writing. The classes are conducted almost exclusively in Spanish.

Spanish 221-222-223 (Intermediate Spanish) is a series of intermediate courses designed to help students further develop grammatical concepts introduced during the beginning Spanish course series as well as read and analyze works of literature and identify major themes related to the history and culture of Spanish-speaking people. It continues instruction and practice in all four language skills: listening, speaking, reading, and writing. The classes are conducted exclusively in Spanish.

Did you know that Spanish is the second most spoken language in the United States?

Spanish is an official language in 21 nations and is also one of six official languages of the United Nations.
